**Buchanan**

At the recent State cross-country championships at Woodward Park, Buchanan High School’s boys team finished 14th and the girls placed 3rd, with Corie Smith setting a record for the fastest time by a freshman.

Senior water polo player Megan Kroeker received the Jim Coiner Sportsmanship Award for demonstrating fairness, respect and honesty. The No. 1 ranked boys water polo team won the Division 1 Valley Championship after defeating Clovis High, and went undefeated in the TRAC for the second consecutive year.

Buchanan band and color guard participated in the Western Band Association Championships and qualified for the Grand Championships for the first time in 10 years. Bear Nation jazz bands performed in the competitive Delta Jazz Festival. Both the “A” and “B” bands took first place in the “Heavy” and Intermediate divisions, respectively.

Science teacher Richard Kinney received a 2016 Crystal Award.

Buchanan’s annual diversity talent show, “Harmony,” displays the talents of special needs students and multicultural clubs. Performances are tomorrow and Friday, with an additional evening show tomorrow at 7:00 p.m. in the MPR. The event is free and open to the community.

Buchanan will host its annual Powderpuff game, “The MS Bowl,” on Thursday, December 22nd at 7:00 p.m. at Veterans Memorial Stadium, with proceeds benefitting the Multiple Sclerosis Society.

**Clovis High**

Clovis High School is off to a wonderful winter season.

In the spirit of giving, Clovis High has participated in and sponsored many community service projects this holiday season. The Ecology and Veterans clubs collected 3,000 Cards for Troops, while Interact students collected Thanksgiving baskets and distributed them to local families. Currently, students are collecting for another non-perishable food drive and sponsoring more than 50 children in a star tree project. Cougar students, staff and community members have come together to support Clovis and Fresno families in need.

At the Western Band Association Championships, the Golden Cougar Marching Band took second in their division scoring a season high. They also earned the caption of High Percussion.
CHS will hold its Powderpuff game on December 14th at Lamonica Stadium. Teams will go head-to-head to compete for the title of Powderpuff Champion. The ladies will play football while the gentlemen cheer them on.

On December 20th, the Clovis High Choral Department will present “Yuletide Joy” at Shaghoian Concert Hall. It will be a wonderful evening for all.

On December 23rd, Clovis High will honor all winter athletes during a Black Light Rally. This will be an exciting rally of lights, neon, lasers and fun.

**Clovis East**
It’s a great day to be a Timberwolf!

The annual canned food drive is underway and the Reagan Educational Center is eagerly hoping to beat last year’s total of more than 28,000 units of food donated. Non-perishable food items can be given to any REC teacher and prizes will be handed out to those who donate. In order to provide a little extra motivation, Mr. Arredondo and Timberwolf students are busy creating a sequel to last year’s popular video, “I Need Cans.”

A special congratulations to math teacher Gabriel teNyenhuis who won a Crystal Award. To make the announcement to him, Mr. teNyenhuis was surprised by a “mini pep rally” outside his classroom door, which included the drumline, his family and students from nearby math classes.

“Miracle on 34th Street” kicked off with a sold out house last week. A bus full of Wolfpack theater fans sat impressed by the tremendous efforts of the cast and crew. The show included laughs, holiday magic and even real snow! There is still time to see the play this Thursday, Friday and Saturday evenings at the Dan Pessano Theater. For more holiday spirit, the Clovis East Choir Holiday Concert will take place on December 13th at 7:00 pm at the Paul Shaghoian Concert Hall.

**Clovis North**
The Clovis North Educational Center continues to support students, families, staff and community. During the recent Canned Food Drive, students collected thousands of items that were donated to Clovis North and other District families.

The varsity boys and girls basketball teams hosted the annual Clovis North Area Basketball Tournament. Elementary players competed as parents and fans cheered on the future Broncos.

Students at Granite Ridge and Clovis North were fortunate to have Deputy Superintendent Dr. Carlo Prandini and Associate Superintendent Mr. Norm Anderson deliver inspiring messages of leadership and character at luncheon events.
The staff at the Clovis North Educational Center competed in the third annual Turkey Bowl Flag Football Game. Referee Dille made sure no injuries occurred and fun was had by all the players and spectators.

Clovis North’s band earned a top-10 finish at the Western Band Association Championships at Veterans Memorial Stadium. The band also performed at the Children’s Electric Christmas Parade in Old Town Clovis.

Clovis North’s choir performed at the American Choral Directors Association Honor Choir Competition at UOP. Five students made it to Central Region and two of those scored high enough to make it to the State Honor Choir.

Lastly, fall athletics completed their seasons in the playoffs and now winter athletics look to earn Valley titles, one game at a time.

**Clovis West**

Faster, higher, stronger.

Clovis West High School’s girls basketball team is ranked No. 3 in the State, the highest any Valley team has ever started in State rankings, and No. 10 in the nation! This weekend, the girls won the Nike Valley Showdown and set a school record for the most three-pointers in a game with 18. The team is in Hawaii at the invitation-only Nike Iolani Classic. Good luck, Golden Eagles!

Clovis West wrestling hosts the annual Clovis West Shoot-Out tournament this Saturday. Come see some of the top wrestlers in the State compete in this season kick-off.

Mock Trial is off to an outstanding start. Their most recent competition, the Beach Ball Tournament, included five World Champions, nine State Champions, and 19 County Champions, the most competitive tournament to be hosted in California this year. Out of these 24 accomplished teams, Clovis West Mock Trial earned fourth place, ahead of last year’s State and World Champions. Additionally, Megan Kawakami received an outstanding attorney award and Josh Avalos received the “Rookie of the Year” award.

The Clovis West Concert Choir was given a Command Performance at the CSUF Invitational Choir Festival. Student T.J Adams was selected as a member of the All-State Honor Choir. Congratulations!

Title: Annual Single Plan for Student Achievement (SPSA) 2016-17

CONTACT PERSON: Norm Anderson
FOR INFORMATION: December 7, 2016 FOR ACTION: January 18, 2017

RECOMMENDATION:
Authorize the Superintendent or designee to approve the annual Single Plan for Student Achievement (SPSA) and the categorical budget for each school for the 2016-17 school year, and authorize each school to implement its categorical programs.

DISCUSSION:
The purpose of the SPSA is to create a cycle of continuous improvement of student academic performance, as measured by State and District assessments. The goal is for all students to achieve at rigorous levels.

The SPSA requires continuous development, implementation and monitoring. Annually, Clovis Unified schools work in collaboration with their School Site Council and English Learner Advisory Committee to develop their school site SPSA. These groups of parents and school staff collect and analyze student performance data, set priorities for program improvement, use rigorous and effective solution strategies, conduct ongoing monitoring of results, and review budgets. SPSAs are approved by the site’s School Site Council in November/December, and are then reviewed by the CUSD Governing Board in January of each school year.

The 2016-17 SPSA is based on the State’s final funding allocations.

A copy of each school’s SPSA is available for interested parties to review in the Department of Supplemental Services and, upon approval, will be posted on the CUSD website.

FISCAL IMPACT/FUNDING SOURCE:
The State’s funding allocations are already included in the adopted 2016-17 budget.

REVISIONS:
RECOMMENDATION:
Approve the recommended 2017 Summer School Academic Programs, including program calendars and budgets, as submitted.

DISCUSSION:
District and site staff members are working collaboratively to design academic programs that address and meet the summer educational needs of students. It is recommended that the Board approve the 2017 Summer School Academic Programs for elementary, intermediate and high school students. Included with this proposal are the recommended calendar and program budget.

FISCAL IMPACT/FUNDING SOURCE:
- Elementary/Intermediate Program – Title IA and Local Control Accountability Plan (LCAP) Funds: $572,417
- English Language Development (ELD) Summer Academy – LCAP Funds: $40,000
- High School Program – LCAP Funds: $757,781

DISCUSSION:
District Administration has actively sought qualified candidates who hold appropriate subject matter credentials inclusive of English Learner authorizations. In cases where a Designated Subjects (DS) and/or Career Technical Education (CTE) credential holder is required to hold a Specially Designed Academic Instruction delivered in English (SDAIE) authorization, but does not yet hold this authorization, and is not able to obtain an Emergency Crosscultural, Language and Academic Development (CLAD) permit, it is necessary to request a Variable Term Waiver.

Currently, Katelyn Shea, Clovis North Educational Center’s Sports Medicine ROP teacher, holds a Preliminary Designated Subjects Career Technical Education Teaching Credential, which does not include a SDAIE authorization.

Ms. Shea is currently in a CTE program to clear her credential and will have earned her full SDAIE English Learner authorization upon issuance of her clear credential, anticipated in the fall of 2018.

As such, it is recommended that this Variable Term Waiver Request be approved to provide the time necessary for Ms. Shea to earn her full English Learner authorization.

FOR INFORMATION: December 7, 2016 FOR ACTION: January 18, 2017

RECOMMENDATION:
Approve the amended Clovis Unified Special Education 2016 Local Plan, as resubmitted to the Governing Board.

DISCUSSION:
Special Education is a program mandated by the Individuals with Disabilities Education Improvement Act (IDEA) and by California law. California has divided regions of the state into Special Education Local Plan Areas (SELPA). Clovis Unified School District is a single-district SELPA, which is responsible for ensuring and providing to qualifying students in the District a free appropriate public education. The Clovis Unified SELPA must comply with all Federal and State Special Education laws. Creation and maintenance of a SELPA Local Plan is one requirement under the law. Failure to adhere to the law, including the law related to creation of a Local Plan, could result in Special Education funds being withheld. The Local Plan contains assurances that the District will comply with the law and also provides for the governance structure of the SELPA. The Governing Board and the County Superintendent must approve this Local Plan.

On July 20, 2016, the Governing Board approved Clovis Unified School District’s Special Education Local Plan. After that approval, however, it became necessary to add additional language to the Local Plan related to the California Reading Initiative. Therefore, language related to the California Reading Initiative was added to the Local Plan, and the Governing Board is required to take additional action to approve the amended Local Plan. All other aspects of the Local Plan remain the same as previously approved by the Governing Board.

Copies of the amended Local Plan were provided to Board members with their agenda materials for the December 7, 2016, Board meeting, and are also available for review in the Special Education Department.

FISCAL IMPACT/FUNDING SOURCE:
Failure to approve the 2016 Local Plan could result in the State withholding Special Education funds designated for the Clovis Unified School District SELPA.

REVISIONS:
RECOMMENDATION:
Authorize Clovis Unified School District to enter into an agreement for a student to attend Creative Alternatives, a non-public school in Fresno, California.

DISCUSSION:
Based on the Individualized Education Program (IEP) recommendation, it has been determined that student #28 for the 2016-17 school year requires services in a non-public school in order to address the student's unique educational needs.

Clovis Unified will review this case every six months to determine the appropriateness of the placement and whether a less restrictive placement can meet the student's educational needs.

FISCAL IMPACT/FUNDING SOURCE:
Clovis Unified will pay approximately $6,700 per month to provide services for this student. The cost has been included in the 2016-17 Special Education budget.
RECOMMENDATION:
Authorize Clovis Unified School District to enter into an agreement to increase the current services for a student attending Creative Alternatives, a non-public school in Fresno, California.

DISCUSSION:
Based on the Individualized Education Program (IEP) recommendation, it has been determined that student #12 for the 2016-17 school year requires an increase to the current services at Creative Alternatives in order to meet the student's educational needs.

Clovis Unified will review this case every six months to determine appropriateness of the placement and whether a less restrictive placement can meet the student's educational needs.

FISCAL IMPACT/FUNDING SOURCE:
Clovis Unified will pay approximately $6,000 per month to provide services for this student. The cost has been included in the 2016-17 Special Education budget.

Title: Resolution No. 3568 – Annual Uniform Public Construction Cost Accounting Act

CONTACT PERSON: Michael Johnston
FOR INFORMATION: December 7, 2016 FOR ACTION: January 18, 2017

RECOMMENDATION:
Approve Resolution No. 3568 adopting Uniform Public Construction Cost Accounting Act (UPCCAA) procedures as outlined by the Public Contract Code.

DISCUSSION:
By utilizing procedures outlined in the Uniform Public Construction Cost Accounting Act (Section 22000 et seq. of the Public Contract Code), the District will cut the lead time required on construction projects of less than $175,000. The District may act as the general contractor and quote projects by trade. This will result in overall savings on total project costs.

In order to meet State program guidelines, a resolution must be approved every January affirming use of UPCCAA procedures.

FISCAL IMPACT/FUNDING SOURCE:
Project lead time reduction and cost savings on construction projects less than $175,000.

Title: Annual Title VII Indian Education Formula Grant Application for 2017-18

CONTACT PERSON: Norm Anderson
FOR INFORMATION: January 18, 2017 FOR ACTION: February 8, 2017

RECOMMENDATION:
Authorize the Superintendent or designee to submit Part I of the annual Title VII Indian Education Grant Application for the 2017-18 school year.

DISCUSSION:
Each year, Clovis Unified School District receives Title VII Indian Education Funds from the U.S. Department of Education. The funds are designed to meet and support the educational and culturally related academic needs of Native American Indians and Alaska Natives, to ensure all students achieve at the same challenging levels.

This year, Clovis Unified School District is serving 530 Native American students: 260 in grades K-6; 75 in grades 7 and 8; and 185 in grades 9-12. The 2016-17 Title VII Formula Grant allocation is $101,998. Currently, funds from the grant are used to provide targeted tutorial services for students in grades K-12. Information from annual Parent Surveys indicate that both the District and the Native American Indian Parent Advisory Council believe that the funds are best used to target instruction for students performing below proficiency levels in English language arts and mathematics.

Grant applicants must compete for limited funds based upon enrollment and program features. The Title VII Formula Grant is submitted in two parts. Part I of the application consists of the Local Education Agency’s (LEA) American Indian Student population total. If Part I is submitted by the closing date, the LEA will receive an application for Part II in which Clovis Unified School District will describe the performance of students, identify program goals and objectives, provide a program description, and provide budget details for the District's programs. The grant is reviewed and approved if all criteria are met. Projected allocations for the 2017-18 school year should be reported by late April upon grant approval.

FISCAL IMPACT/FUNDING SOURCE:
No fiscal impact at this time. Upon approval, the grant will be added to the 2017-18 Clovis Unified budget.

RECOMMENDATION:
Authorize Clovis Unified School District to enter into an agreement for a student to attend North Valley School and Victor Treatment Center, a residential treatment facility in Lodi, California.

DISCUSSION:
Based on the Individualized Education Program (IEP) recommendation, it has been determined that Special Education student #16 for the 2016-17 school year requires services in a residential treatment facility in order to address the student's unique needs. It is recommended that the student reside at the Victor Treatment Center, which is a location change for this student for the 2016-17 school year. The student will be educated at North Valley School in Lodi, California.

Clovis Unified staff will review this case every six months to determine the appropriateness of the placement and whether a less restrictive placement can meet the student's unique educational needs.

FISCAL IMPACT/FUNDING SOURCE:
Clovis Unified will pay approximately $18,100 per month for residential and educational services. The cost has been included in the 2016-17 Special Education Budget.
