Q. BOARD SUBCOMMITTEE REPORTS

1. Budget (Budd, Casado, Hovsepian)

During the Budget Board Subcommittee meeting on August 22, members discussed the minimum wage consultant request for proposal on the Board's August 30 Action agenda. A committee of representatives from Faculty Senate, CSEA, CUBSS, Payroll, Human Resources and Business Services interviewed consultants and unanimously recommended RSG Inc. as the consulting firm that would best be suited to study and analyze Clovis Unified salary schedules and position descriptions impacted by California's upcoming minimum wage increases. Also discussed was the successful rollout of new Xerox machines at all District school sites, District services buildings and in the Graphic Arts Department. Members learned that the Permission Click online program, which was piloted in the District on a small scale last spring, is now being used District-wide and is receiving positive feedback. The program enables parents to conveniently grant permission electronically for their students to attend fieldtrips, participate in curriculum, etc. Also shared was a Campus Catering bread-sales fundraiser opportunity for schools that would enable more of the raised money to go to the sites. Finally, the re-funding of District bonds was reviewed.

2. Center for Advanced Research and Technology (CART) (Sandoval)

The CART Board of Directors did not meet.

3. Curriculum (Budd, Hovsepian, Van Volkinburg)

At the August 22 meeting of the Curriculum Board Subcommittee, members reviewed Clovis Unified's preliminary student achievement data, not yet officially released due to a State of California embargo. (Recent communication from the California Department of Education indicates the embargo will be lifted the week of September 18, 2017.) A Board workshop will be held in the future regarding District students' testing results from 2016-17. Members were also given a list of textbooks and workbooks that are now obsolete. Members of the Board will be asked to approve the disposal of these materials at their September 13 meeting. Finally, summer school was discussed. A "Newcomers Summer School" program was introduced this year for elementary through high school students who are brand-new to the country. The innovative program successfully met the educational needs of 85 students. In total, 7,200 students attended summer school this year.

4. Facilities (Fogg, Heryford, Sandoval)

Members of the Facilities Board Subcommittee discussed current bond measure projects at their August 18 meeting. Members reviewed the change order, bond measure finance, and design, bid, and construction reports. Possible southeast area elementary school site locations were discussed. Finally, a Facilities Department staffing update was given.

Title: Annual 2016-17 Financial Report

CONTACT PERSON: Michael Johnston

FOR INFORMATION: August 30, 2017

FOR ACTION: September 13, 2017

RECOMMENDATION:

Accept the 2016-17 Annual Financial Report, as submitted.

Each quarter, the Business Services Department updates the Board as to the current financial condition of the District in relation to revenues and expenses along with the projected fund balance.

A copy of the 2016-17 Annual Financial Report was included in the Board's agenda materials for the September 13, 2017, Governing Board meeting. The report will also be reviewed by members of the Budget Board Subcommittee during their September 12, 2017, meeting.

FISCAL IMPACT/FUNDING SOURCE:

No fiscal impact.

REVISIONS:

CONTACT PERSON: Barry Jager

FOR INFORMATION:

FOR ACTION: September 13, 2017

RECOMMENDATION:

Approve the Provisional Internship Permits for three recommended teaching candidates, as submitted.

DISCUSSION:

The Provisional Internship Permit (PIP) is available when the employing agency knows that there will be a teacher vacancy, yet is unable to recruit a suitable candidate. The expectations of the employer and the employee are higher since these individuals will be the teacher of record and should be on a credential track. The focus of the document is meeting subject matter competency. Once a candidate completes subject matter competency, the candidate can be employed on a document such as a District Internship Credential. Candidate requirements include the following: (1) Bachelor's degree or higher; (2) passage of the California Basic Educational Skills Test (CBEST); and (3) specific course work or experience, explained in detail on the Provisional Internship Permit Information leaflet.

As required by the California Commission on Teacher Credentialing (CCTC), employing agencies offering employment to candidates on a Provisional Internship Permit are required to: (1) conduct a diligent search for a suitable credentialed teacher or qualified internship teacher; (2) provide the PIP holder with orientation, guidance, and assistance as specified in Title 5 Section 80026.5; (3) assist the PIP holder in developing a personalized plan (kept on file at the local level) through an agency-defined assessment leading to completion of subject matter competence; and (4) counsel the PIP holder to enroll in subject matter training. Clovis Unified School District Administration hereby declares that a diligent search was conducted for suitable credentialed teachers or qualified internship teachers. Upon Board approval, District Administration asserts that steps 2-4, as outlined above, will be completed.

School districts submitting Provisional Internship Permit requests must include verification that a notice of intent to employ the applicants in the identified positions was made public. The public notice must include the following information: (1) the name of the applicants; (2) the assignment in which the applicants will be employed including subject(s), grade level(s), and school site; and (3) a statement that the applicants will be employed on the basis of a Provisional Internship Permit. Clovis Unified School District intends to submit Provisional Internship Permit requests for the following teacher candidates, contingent upon administration and Board approval:

Name of Applicant	Assignment	Grade Level	School Site	Employment Status
Jonathan Clark	General Science	7-8	Granite Ridge Intermediate	PIP (Science: Biological Sciences)
Hannah Haag	SDC Teacher Intervention	K-6	Clovis Elementary	PIP (Education Specialist Mild/Moderate)
Leo Looza	SDC Applied Social Academic Program	K-6	Cole Elementary	PIP (Education Specialist Moderate/Severe)

A Provisional Internship Permit shall be issued for one year and may not be renewed.

Lastly, public school districts must include a copy of the agenda item presented to the Governing Board of the district. The agenda item must be presented in a public meeting as an Action Item and include the information above for each individual for whom the permit will be requested. The permit request must include a signed statement from the Superintendent, or designee, that the item was acted upon favorably. To assure that each permit request receives individual review and approval by the Governing Board, the agenda item may not be part of the Consent agenda.

This item is presented directly for Action because the new school year is already underway.

Title: Resolution No. 3609 – Annual Recalculated 2016-17 Gann Limit
Appropriation and Estimated 2017-18 Gann Limit Appropriation

CONTACT PERSON: Michael Johnston

FOR INFORMATION: August 30, 2017

FOR ACTION: September 13, 2017

RECOMMENDATION:

Adopt Resolution No. 3609 establishing the recalculation of the 2016-17 Gann Limit Appropriation and estimating the 2017-18 Gann Limit Appropriation.

DISCUSSION:

The Gann Limit (named for Paul Gann, the author of Proposition 4 which amended the State Constitution to establish this limit) is intended to constrain the growth in State and local government spending by linking year-to-year changes in expenditures to changes in inflation (represented by per capita personal income) and population (represented by average daily attendance (ADA) for schools). Established in 1979 following the enactment of Proposition 13 and subsequently amended by Proposition 111, the Gann Limit has become a largely pro forma calculation that no longer constrains governmental expenditures. This is because the limit has grown significantly faster than appropriations subject to the limit.

Education Code Section 42132 requires that on or before September 15th of each year, the Governing Board adopt a resolution to identify the estimated appropriations limit for the current fiscal year and the actual appropriations limit for the preceding fiscal year.

Clovis Unified is required to perform Gann Limit calculations by the State Constitution, but it is also important for the District to complete these calculations to identify how much State aid counts toward its Gann Limit, so that the State of California knows how much State aid counts toward its own Gann Limit.

The attached worksheet reflects the recalculated 2016-17 Gann Limit Appropriation for the District, which is \$258,352,348, and the estimated Gann Limit Appropriation for 2017-18, which is \$277,234,825. This worksheet will also be reviewed by members of the Budget Board Subcommittee during their September 12, 2017, meeting.
