Title: Recognition of Outgoing Members and Introduction of New
Members of the Citizens' Oversight Committee

CONTACT PERSON: Michael Johnston

FOR INFORMATION:

FOR ACTION: July 15, 2020

RECOMMENDATION:

The Governing Board will recognize the outgoing Citizens' Oversight Committee Business Representative, Hugh Awtrey and Taxpayer's Association Representative, Darrell Copeland for their service, and will be introduced to new committee members.

DISCUSSION:

The Governing Board appointed the initial Citizens' Oversight Committee on March 28, 2001, to oversee Clovis Unified's Measure A bond funds. Committee members serve for two-year terms and cannot serve for more than three consecutive terms. At their July 15, 2020, Board meeting, members of the CUSD Governing Board will recognize the outgoing Citizens' Oversight Committee members who completed their third two-year term as of June 30, 2020, for their service and dedication to Clovis Unified:

- Hugh Awtrey, Business Representative
- Darrell Copeland, Taxpayer's Association Representative

Also at the July 15, 2020, Board meeting, the new Citizens' Oversight Committee members, who were appointed by the Governing Board in June and began their two-year term on July 1, 2020, will be introduced:

- Scott Vived, Business Representative
- Roland Roos, Taxpayer's Association Representative

FOR INFORMATION:

FOR ACTION: July 15, 2020

RECOMMENDATION:

A written report on the District's After School Education and Safety (ASES) Program has been provided to the members of the Governing Board.

DISCUSSION:

Clovis Unified's ASES Program, funded through Proposition 49 and the CUSD Local Control Accountability Plan (LCAP), establishes local afterschool education and enrichment programs. These programs are created through partnerships between schools and community agencies to provide literacy support, academic enrichment, and safe, constructive alternatives for students in first through sixth grade.

A copy of the 2019-20 ASES Program Evaluation Report written by Child Development will be provided to members of the Board with their materials for the August 12, 2020, Governing Board meeting.

OUR VISION

CUSD ASES program strives to be America's benchmark for excellence.

OUR MISSION

To provide a safe after school environment that fosters educational and enrichment opportunities for students.

OUR AIMS

<u>AIM I:</u>	<u>AIM II:</u>	<u>AIM III:</u>
Maximize Achievement for ALL Students	Operate with Increasing Efficiency and Effectiveness	Maintain, Develop, Sustain, and Value a High-Quality Diverse Workforce
ASES activities and programs are designed to support the child's classroom instruction, provide intervention activities, and enrichment opportunities to students.	ASES programs practice safety standards in excess of State mandates. The Character Counts pillars are the mainstay of our community service and leadership program strand.	ASES proudly maintains the traditions and culture of CUSD by recruiting, training, and retaining a quality workforce.

OUR BELIEFS

All children can learn and we can teach all children.

Everyone is a reader and a teacher of reading.

Our values must be more than words.

Hard work promotes achievement.

It's people; not programs.

United as Americans, we value our diversity and our differences.

We hold ourselves accountable to achieve high standards.

Success is an individual journey of continuous achievement.

Education is a partnership between the school, the family, and the community.

"CHILDREN ARE OUR MOST PRECIOUS RESOURCE"

Clovis Unified School District (CUSD)

After School Education & Safety (ASES) Program Information

The CUSD ASES Program provides a complementary learning system, intentionally integrating out of school time with the instructional day to ensure success for all students. The after school program consists of three components: academic and literacy support, healthy fitness and well-being, and recreational and educational enrichments. The program commences immediately upon the conclusion of the regular school day and operates a minimum of 15 hours per week and at least until 6:00 p.m. The ASES Program is an extension of the regular school day continuing to provide a safe environment both physically and emotionally, which supports building positive relationships and is of no cost to participating families. Students in the program receive a nutritious snack provided by CUSD Campus Catering. Attendance is an essential component to the program and its funding.

Once every three years CUSD submits a grant application to receive ASES funding called “ASES Renewal Application”. The application requires a completion of two parts to be submitted together: Part I, the Program Plan; which contains program data, demographic information, and CUSD’s plans on the program implementation, is submitted in November; and Part II, the grant renewal application, which contains budget information, additional program data, and signatures, is submitted in January. The funds are designed to provide a safe after school environment including classroom instruction, intervention activities, and enrichment opportunities to reinforce academics for students. The ASES Renewal Grant Application was last reviewed, completed, submitted, and approved by the California Department of Education (CDE) in March 2017.

This past school year, 2019-2020, CUSD renewed their ASES grant. As mentioned, part of the ASES Renewal Application is the development of the program plan. This year, California Department of Education Expanded Learning Division (CDE-ELXD) created a new template which better aligned with the Quality Standards for Expanded Learning in California. The purpose of the program plan is to create an operational design for an after school program within the framework of the requirements defined in California *Education Code (EC)* sections 8482 *et seq.* The program plan is considered a living document that is periodically reviewed and adjusted to reflect the needs of the community and to provide continuous improvement in the development of an effective after school program. The District ASES Program Supervisor along with respective staff members worked on, designed, and established the ASES Program Plan. The program plan was submitted on November 22, 2019 for CDE-EXLD to review. On December 6, 2019 CDE Consultant, Erin Koepke, emailed Dr. Eimear O’Farrell, “*This email is to inform you that your program plan has been reviewed and approved. Additionally, I would like to congratulate you on the quality of your program plan. Your program plan is among the best I have reviewed to date. With your approval, I would like to save your program plan to share with other grantees as an exemplary plan. Kudos on a fabulous job! Please let me know if I have permission to share your plan.*” On December 16, 2019, the ASES Renewal Application was mailed out to CDE-EXLD. In April 2020, CUSD ASES Renewal Grant Application was reviewed and approved by CDE-EXLD for another three years.

The ASES program is discussed as an agenda item during parent advisory committee meetings, including English Learners Advisory Committee (ELAC), School Site Council (SSC), School Advisory Committee (SAC), District Migrant Education Parent Advisory Committee (DMEPAC), Indian Education

Program Parent Advisory Committee (IPAC), District Advisory Council (DAC) and District English Learners Advisory Committee (DELAC). One of the roles of the ASES Program Supervisor is to support schools in the implementation of ASES Program.

During the 2019-2020 school year, a total of 14 schools operated an ASES program in CUSD. Seven elementary schools received Proposition 49 ASES Grant from the CDE, five elementary schools received funding through the District Local Control Accountability Plan (LCAP), and two elementary schools received Proposition 49 ASES Grant funding under the jurisdiction of Fresno County Superintendent of Schools (FCSS). Funding for the ASES Grant is based on the percentage of Free and Reduced Price Meal (FRPM).

ASES Evaluation Report Format

Each Spring students, parents, staff, and community partners participate in the annual ASES survey to evaluate the effectiveness of the ASES programs as well as plan for the following year. Since ASES is funded through the state, California Department of Education (CDE) and Local Control Accountability Plan (LCAP), it requires an annual evaluation and monitoring program.

However, this Spring our annual ASES surveys could not be administered or data collected as in previous years due to COVID-19. With schools converting from on-site to distance learning, surveys were more difficult to administer with all the stakeholders. We still tried our best in administering and collecting as many surveys as we could from our parents with participating students.

In the fall, each ASES school site receives a completed Annual Evaluation Report to share with stakeholders. The evaluation process provides the site with an opportunity to evaluate, review and reflect on their program from an internal point of view collaborating with all stakeholders. The ASES survey provides valuable information from all stakeholders on critical issues concerning the ASES program. The annual evaluation addresses quality indicators of an effective ASES program. These include, but are not limited to: participation rate, expenditures, staff development opportunities, parent participation, student achievement, and recommendations for continued improvement. Based upon a comprehensive analysis of data, schools are asked to articulate effective components as well as any program modifications. Schools are committed to promoting excellence and high expectations for all students, striving to ensure the use of meaningful survey data in decision-making. The evaluation report is shared with all stakeholders.

Quality Standards for Expanded Learning in California

CUSD has adopted the twelve “Quality Standards for Expanded Learning in California”. The Quality Standards for Expanded Learning are designed to assist expanded learning programs, such as ASES, in providing an effective and quality after school program. These quality standards provide a common framework of clear expectations and a guide for all stakeholders across California. The twelve quality standards are broken down into two categories: Point-of-Service and Programmatic. Each quality standard has three levels of action: Programmatic, Staff, and Participant. Listed below are the Quality Standards for Expanded Learning in California.

POINT-OF-SERVICE QUALITY STANDARDS	PROGRAMMATIC QUALITY STANDARDS
1. Safe and supportive environment The program provides a safe and nurturing environment that supports the developmental, social-emotional and physical needs of all students.	7. Quality staff The program recruits and retains high quality staff and volunteers who are focused on creating a positive learning environment, and provides ongoing professional development based on assessed staff needs.
2. Active and engaged learning Program design and activities reflect active, meaningful and engaging learning methods that promote collaboration and expand student horizons.	8. Clear vision, mission and purpose The program has a clearly defined vision, mission, goals, and measurable outcomes that reflect broad stakeholder input and drive program design, implementation and improvement.
3. Skill building The program maintains high expectations for all students, intentionally links program goals and curricula with 21st-century skills and provides activities to help students achieve mastery.	9. Collaborative partnerships The program intentionally builds and supports collaborative relationships among internal and external stakeholders, including families, schools and community, to achieve program goals.
4. Youth voice and leadership The program provides and supports intentional opportunities for students to play a meaningful role in program design and implementation, and provides ongoing access to authentic leadership roles.	10. Continuous quality improvement The program uses data from multiple sources to assess its strengths and weaknesses in order to continuously improve program design, outcomes and impact.
5. Healthy choices and behaviors The program promotes student well-being through opportunities to learn about and practice balanced nutrition, physical activity and other healthy choices in an environment that supports a healthy lifestyle.	11. Program management The program has sound fiscal and administrative practices supported by well-defined and documented policies and procedures that meet grant requirements.
6. Diversity, access and equity The program creates an environment in which students experience values that embrace diversity and equity regardless of race, color, religion, sex, age, income level, national origin, physical ability, sexual orientation and/or gender identity and expression.	12. Sustainability The program builds enduring partnerships with the community and secures commitments for in-kind and monetary contributions.

FOR INFORMATION:

FOR ACTION: July 15, 2020

RECOMMENDATION:

Approve the Voluntary Community Recreation Program, as submitted.

DISCUSSION:

The Clovis Community Sports and Recreation Department provides and operates noneducational, athletic and recreation programs and activities for the access and enjoyment of Clovis and surrounding communities. Such noneducational, recreational programs and activities are not part of the District's curricular, extracurricular, or co-curricular educational programs, and are entirely separate and distinct from the District's educational program. The department's recreational offerings are available to all age-appropriate participants in Clovis, Fresno and surrounding communities, whether or not such participants are enrolled in the District's educational program, and students enrolled in the District's educational program are never required to participate in the Department's noneducational, recreational programs or activities.

The proposed costs listed below are to attend the camp/clinic and may not include additional items such as spirit packs, shirts, jerseys, etc. The additional items will be provided at cost with no profit for the program. All additional items will be specifically identified in the flyers to the community.

CI No.	Description	Amount	Budget Code
0032	Concrete at Planters	\$2,454.14	Agency Requirement

Description: Provide concrete and rebar in the designated planter areas that are being omitted.

Requested by: District. \$2,454.14 to be added to the contract.

Reason for change: DSA Requirement. Concrete infill in the areas where the planters have been omitted.

CI No.	Description	Amount	Budget Code
0049	Concrete Curb/Sidewalk	\$2,661.38	District Change

Description: Remove area of concrete so when new concrete is poured it is consistent with adjacent concrete flatwork.

Requested by: District. \$2,661.38 to be added to the contract.

Reason for change: District added. School site requested new concrete walk in lieu of decomposed granite for maintenance purposes.

CI No.	Description	Amount	Budget Code
0050	Provide Concrete and Rebar	\$21,006.21	District Change

Description: Add rebar reinforcement per Geotechnical report recommendation in the area of new concrete that will be driven on by the school site.

Requested by: District. \$21,006.21 to be added to the contract.

Reason for change: District added. District requested concrete in lieu of decomposed granite at south end of the building. Reinforcement is recommended for vehicle traffic.

CI No.	Description	Amount	Budget Code
0051	Omit Rebar	(\$1,540.00)	District Change

Description: Remove rebar reinforcement at concrete walks.

Requested by: District. (\$1,540.00) to be credited to the contract.

Reason for change: District added. The Geotechnical report recommended adding rebar in concrete 6' and wider, but in foot traffic areas the rebar is not necessary.

FRESNO COUNTY, CALIFORNIA**

RESOLUTION REGARDING 2020-21 SCHOOL PLAN

WHEREAS, on March 4, 2020, Governor Gavin Newsom declared a statewide emergency as a result of the threat of COVID-19.

WHEREAS, on March 12, 2020, Governor Gavin Newsom, in Executive Order N-25-20, ordered, among other actions, that all residents in California are to heed any orders and guidance of state and local public health officials, including but not limited to, the imposition of social distancing measures, to control the spread of COVID-19.

WHEREAS, on March 13, 2020, President Donald Trump declared a national emergency arising from the COVID-19 outbreak.

WHEREAS, on March 19, 2020, Governor Gavin Newsom ordered all residents within the State of California to heed the State public health directives, stay at home or their place of residence except as needed to maintain continuity of operations of the federal critical infrastructure sectors, and practice social distancing.

WHEREAS, the Board acknowledges that due to the evolving nature of the COVID-19 pandemic, federal, state, and local orders and guidelines impacting District operations continue to change.

WHEREAS, the Board takes seriously the safety and wellbeing of students and employees of the District and the community. The Board continues to carefully evaluate and consider the options available to the District in determining and implementing educational programs for District students for the 2020-21 school year amid the ongoing concerns regarding COVID-19.

WHEREAS, the Board desires to set forth a plan for educational programs for the 2020-21 school year amid the ongoing concerns regarding COVID-19 and to authorize the District's Superintendent to take such actions as are necessary and appropriate to implement such a plan.

NOW THEREFORE, BE IT RESOLVED by the Governing Board as follows:

1. Unless rescinded or modified by the Board through further action, the Board directs that the District's Superintendent develop and implement a plan for educational programs for the 2020-21 school year for students to receive instruction through one of the following models based on selection by the parents/guardians of the students:

NOTE: Staff proposes the following two options for the Board's consideration and recommends that the Board approve only one option to allow for implementation of mitigating measures for COVID-19 and proper staffing.

OPTION A – TRADITIONAL OR ONLINE

- a. Traditional: On-campus, in-person instruction five days per week, excluding holidays and specially designated days, the particular schedule during which students are to receive on-campus, in-person instruction is to be developed by the Superintendent or designee consistent with applicable laws and may consist of full-day instruction or half-day instruction.
- b. Online: Distance/online learning five days per week, excluding holidays and specially designated days, consistent with applicable laws.

OPTION B – HYBRID OR ONLINE

- a. Hybrid: On-campus, in-person instruction two days per week and at-home learning for the remaining three days, excluding holidays and specially designated days, consistent with applicable laws.
- b. Online: Distance/online learning five days per week, excluding holidays and specially designated days, consistent with applicable laws.

Special Education: The Superintendent or designee shall develop and implement instruction for students in special education consistent with applicable laws.

2. The Board authorizes and directs the District's Superintendent to take all actions that are necessary and appropriate to develop and implement the educational models for the 2020-21 school year consistent with the provisions in 1 above, including but not limited to,

addressing mitigating measures relating to COVID-19, transportation, student meals, co-curricular and extra-curricular activities, before and after school programs, and childcare.

3. This resolution shall be effective immediately upon its adoption and shall remain in effect for the 2020-21 school year until rescinded or modified by the Board.

THE FOREGOING RESOLUTION is adopted by the Governing Board of the Clovis Unified School District at a regular meeting of said Board held on the 15th day of July 2020, by the following vote:

Title: Annual Agreement with School Services of California for
Legislative Consulting and Advocacy to Support California School
Funding Coalition

CONTACT PERSON: Michael Johnston

FOR INFORMATION: June 10, 2020

FOR ACTION: July 15, 2020

RECOMMENDATION:

Approve an annual agreement with School Services of California (SSC) for legislative consulting and advocacy.

DISCUSSION:

The District created the California School Funding Coalition (CSFC) in April 2013. The CSFC and SSC work together to ensure every public school in California receives the funding necessary to provide a high-quality education for all students. Consultants provide support with Local Control Funding Formula (LCFF) and Local Control Accountability Plan (LCAP) implementation issues, in addition to coordination and recruitment of members in the Coalition and Legislative and advocacy services. Currently, there are 50 school districts participating in the CSFC.

The current agreement with SSC expired June 30, 2020, and, in order for the Coalition to continue to utilize these services, it will be necessary for the Board to renew the existing agreement.

This agreement is for one year beginning July 1, 2020, through June 30, 2021.

FISCAL IMPACT/FUNDING SOURCE:

The annual cost of this agreement is approximately \$75,000, plus expenses. The contract amount is dependent upon the number of participating districts in the Coalition. The cost is included in the CSFC 2020-21 budget.

RECOMMENDATION:

Authorize the Superintendent, Associate Superintendent of Administrative Services, Assistant Superintendent of Business Services, and Director of Budget and Finance to continue approving and signing check registers and payroll registers, and authorize the Assistant Superintendent of Business Services to receive all District financial mail.

DISCUSSION:

Board Policy No. 3314 identifies the Superintendent, Associate Superintendent of Administrative Services, Assistant Superintendent of Business Services, and Director of Budget and Finance as authorized signers for check and payroll registers. California Education Code section 42633 requires that the Governing Board approve said signers.

EDUCATION CODE 42632

Each order drawn on the funds of a school district shall be signed by at least a majority of the members of the governing board of the district, or by a person or persons authorized by the governing board to sign orders in its name. No person other than an officer or employee of the district shall be authorized to sign orders.

EDUCATION CODE 42633

The governing board of each school district shall be responsible for filing or causing to be filed with the county superintendent of schools the verified signature of each person, including members of the governing board, authorized to sign orders in its name. Except for districts determined to be fiscally accountable pursuant to Section 42650, no order on the funds of any school district shall be approved by the county superintendent of schools unless the signatures are on file in his office and he is satisfied that the signatures on the order are those of persons authorized to sign the order.

GOVERNMENT CODE 5501

Any authorized officer may, after filing with the Secretary of State his manual signature certified by him under oath, execute or cause to be executed with a facsimile signature in lieu of his manual signature:

- (a) Any public security, provided that at least one signature required or permitted to be placed thereon shall be manually subscribed; and
- (b) Any instrument of payment.

Upon compliance with this section by the authorized officer, his facsimile signature has the same legal effect as his manual signature.

RECOMMENDATION:

If the Governing Board desires to maintain its membership in the California School Boards Association (CSBA) for the 2020-21 school year, including the Education Legal Alliance, it will be necessary for the Board to approve the payment of dues in the amount of \$25,719.

DISCUSSION:

Attached is a copy of the invoice received from CSBA. If the Governing Board desires to maintain its membership in CSBA during the 2020-21 school year, the membership dues would be \$20,575, an increase of \$870 from 2019-20. The cost for the Education Legal Alliance is \$5,144, an increase of \$218 from 2019-20, for a total increase of \$1,088. The total amount of membership dues for 2020-21 will be \$25,719.

RECOMMENDATION:

Approve the Community Funded Bus Route requests for the 2020-21 school year, as submitted.

DISCUSSION:

Board Policy and Administrative Regulation No. 3541 allows the Governing Board to approve requests for Community Funded Bus Routes (CFBR). Approved requests for the 2020-21 school year are contingent on bus and driver availability. Due to the COVID-19 pandemic, if social distancing is mandated on the school bus, buses and drivers will first be placed on routes for students eligible for transportation per the walk-in radius in Board Policy.

If the District has available buses and drivers, approved CFBR will proceed pending payment from each area. Payment must be received fourteen (14) calendar days prior to the start of each bus run.

Following are the communities that are requesting a CFBR, along with the associated costs for the 2020-21 school year:

Adopt amended Board Policy No. 2410 – Student Suicide Prevention to include suicide prevention information for grades kindergarten through 6.

DISCUSSION:

Pursuant to Assembly Bill 1767, school districts are to adopt a suicide prevention policy for grades kindergarten through 6 to be used in elementary schools, in addition to the suicide prevention policy that currently exists for grades 7-12. The bill amends Education Code section 215 and requires these new provisions to be adopted before the start of the 2020-2021 school year.

To comply with Education Code section 215, the proposed amended Board Policy No. 2410 is attached and has been modified to include student suicide prevention in grades kindergarten through 6.

STUDENT SUICIDE PREVENTION

PURPOSE: To establish guidelines and set expectations related to student suicide prevention, intervention and postvention.

The Governing Board recognizes that suicide is a leading cause of death among youth and should be taken seriously. In order to attempt to reduce suicidal behavior and its impact on students and families, the Superintendent or designee shall develop procedures relating to prevention, intervention, and postvention that specifically address the needs of high-risk groups, including but not limited to the following:

- (A) Youth bereaved by suicide.
- (B) Youth with disabilities, mental illness, or substance abuse disorders.
- (C) Lesbian, gay, bisexual, transgender, or questioning youth.
- (D) Youth experiencing homelessness or in out-of-home settings, such as foster care.
- (E) Youth with a history of suicide ideation or attempts.
- (F) Youth who have suffered traumatic experiences.

The Superintendent or designee shall develop a plan that addresses procedures in suicide prevention, intervention and postvention. School and community stakeholders, school-employed mental health professionals, and suicide prevention experts will be involved in ~~in~~-planning, developing, implementing, and evaluating the District's procedures for suicide prevention, intervention, and postvention.

Staff Training

The Superintendent or designee shall develop staff training in suicide awareness and prevention. Suicide prevention training for staff shall be designed to help staff identify and respond to students at risk of suicide. The training shall be offered under the direction of a district counselor/psychologist and/or in cooperation with one or more community mental health agencies.

Suicide prevention training shall be provided to teachers, counselors, and other district employees who interact with students ~~in grades 7-12~~ at each grade level. The training materials shall include how to identify appropriate mental health services (both at the school site and within the larger community) and when and how to refer youth and their families to those services. These training materials may include training programs that can be completed through self-review of suitable suicide prevention materials. No school district employee will be trained to act outside the school district employee's authorization and scope of the employee's credential or license. School district employees will not diagnose or treat mental illness unless the employee is specifically licensed and employed to do so.

Title: Resolution No. 3765 – Annual Authorization of Inter-Fund Loans
for Cash Flow Purposes

CONTACT PERSON: Michael Johnston

FOR INFORMATION: June 10, 2020

FOR ACTION: July 15, 2020

RECOMMENDATION:

Adopt Resolution No. 3765 authorizing inter-fund loans for cash flow purposes, as submitted.

DISCUSSION:

California Education Code section 42603 authorizes school districts to make inter-fund loans between funds. It is in the best interest of the District to allow such loans in order to facilitate the investing of money and to avoid having to borrow money from outside financial institutions when one of the funds may have a cash shortage. This inter-fund loan process is utilized only as authorized by the California Education Code, which requires that the loan be repaid in the same year, or subsequent year, if borrowing takes place within 120 days of the fiscal year-end. The Education Code also does not allow more than 75% of the money held in any fund during the current fiscal year to be transferred. District Administration recommends the Board approve a resolution authorizing these inter-fund loans during the fiscal year of 2020-21, as needed.

Compensation Coverage and General Liability for Volunteer
Personnel

CONTACT PERSON: Michael Johnston

FOR INFORMATION: June 10, 2020

FOR ACTION: July 15, 2020

RECOMMENDATION:

Adopt Resolutions No. 3766 and 3767 for workers' compensation and general liability coverage related to volunteer personnel, as submitted.

DISCUSSION:

Clovis Unified recognizes the need for, and the benefit derived from, individuals and groups providing volunteer services in accordance with District regulations and policies.

The District has, in the past, extended General Liability coverage for volunteer services under the District's liability program and would like to continue this practice for the upcoming year. In addition, the California State Legislature has provided authorization for the inclusion of coverage for volunteers under the District's workers' compensation program.

Title: Consider Resolution No. 3778 to Call for a General Obligation Bond Election Ordering an Election to Authorize the Issuance of School Bonds, Establishing Specifications of the Election Order, and Requesting Consolidation with the Other Elections Occuring on November 3, 2020

CONTACT PERSON: Michael Johnston

FOR INFORMATION: June 10, 2020

FOR ACTION: July 15, 2020

RECOMMENDATION:

A recommendation will be provided at the July 15, 2020, Governing Board meeting regarding Resolution No. 3778 ordering an election to authorize a general obligation school bond, establishing specification of the election order and requesting consolidation with the November 3, 2020, Statewide primary election to be conducted under Proposition 39 and its related legislation.

DISCUSSION:

The District has important school facility needs and we need to identify a funding source. In June of 2020 the Citizens' Committee to Study Capital Facility Needs reconvened to study the District's capital facility program. Prior to the March 3, 2020 election, this group spent six months studying city and county growth plans, revisiting our Facility Audits and Master Plan, and examining available financial resources for school facility repairs, maintenance and growth. The committee will present their findings to district staff and the Governing Board at the July 15, 2020 Board meeting.

November 3, 2020 is the date of the Statewide primary election, and also is an election date at which local bond measures that provide facilities funding can be placed on the ballot. In order to appear on the November ballot, an adopted Resolution Calling for the Bond Election must be filed with the County Elections office at least 88 days prior to the election date.

The Resolution for Board consideration will be prepared in accordance with all legal requirements and present a bond measure to District voters under Prop. 39 (55% vote) for the purpose of financing projects. The District is also requesting that the County Elections Office consider allowing us to have Measure A as we have had this letter to identify our measure for many years.

In order to call the election, the Resolution must have a two-thirds vote of the Board (4 yes votes).

The resolution and 75-word ballot measure language will be presented to the Board during the July 15, 2020, Facilities Board Workshop.

FISCAL IMPACT/FUNDING SOURCE:

None to General Fund. If the bond measure receives 55% affirmative vote, the District will be able to issue bonds and apply the proceeds to finance important school facilities improvement

projects. Costs of issuance are payable from bond proceeds.

WHEREAS, on November 7, 2000, the voters of the State of California approved Proposition 39 (“Proposition 39”), which amended Articles XIII A of the California Constitution (“Article XIII A”) to allow for the levy of *ad valorem* property taxes for the payment of bonded indebtedness of a school district, community college district or county office of education approved by at least 55 percent of the voters voting on such proposition; and

WHEREAS, upon the passage of Proposition 39, the Strict Accountability in Local School Construction Bond Act of 2000, being California Education Code Section 15264 and following (the “Act”), became operative; and

WHEREAS, in order to address the facilities needs of the District as described herein, in the judgment of the Board, it is advisable to call an election pursuant to the Act to submit to the electors of the District the question whether bonds of the District shall be issued and sold pursuant to the authority of Article XVI Section 18 of the California Constitution and Article XIII A

(together with the Act, the “Law”) for the purposes authorized by the Law and as described more particularly in Appendix A hereto (the “Full Text of Bond Measure”); and

WHEREAS, under the Act, the election may be ordered at a primary or general election, a regularly scheduled local election at which all of the electors of the District are entitled to vote, or a statewide special election, upon a two-thirds vote of the Board; and

WHEREAS, the Board desires to call an election in the District pursuant to the Law on November 3, 2020, which is the date of the statewide general election, and pursuant to Education Code Section 15121 and Elections Code Section 10400 and following, to request consolidation with any and all other elections held in the District on such date, and to request the Fresno County Registrar of Voters (the “County Registrar”) to perform election services for the District; and

WHEREAS, in connection with the calling of a bond election and in accordance with Education Code Section 15100 subparagraph (c), the Board has obtained reasonable and informed projections of assessed property valuations that take into consideration projections of assessed property valuations made by the County assessor; and

WHEREAS, the District’s bond measures have historically been assigned the measure designation “A” since the year 1986, and as such, the Board includes in this Resolution in Section 16 a request to the Fresno County Registrar to assign the measure designation “A” to the bond measure provided for herein; and

THEREFORE, BE IT RESOLVED that the Governing Board has reviewed and approved the following

Section 1. Recitals. The foregoing recitals are true and correct.

Section 2. Call for Election. The Board hereby orders an election and submits to the electors of the District the question of whether general obligation bonds of the District shall be issued and sold in the maximum principal amount of \$335,000,000 for the purposes described in the ballot measure approved under Section 4 and attached hereto as Appendix A (Full Text of Bond Measure) and Appendix B (Abbreviated Text of Bond Measure), and paying all costs incident thereto. This Resolution constitutes the order of the District to call such election and shall constitute the “specifications of the election order” pursuant to Education Code Section 5322.

Section 3. Election Date. The date of the election shall be November 3, 2020, and such bond election shall be held solely within the boundaries of the District. The boundaries of the District have not changed since the District’s last election.

Section 4. Purpose of Election; Ballot Measure. The purpose of the election shall be for the voters in the District to vote on a bond measure, a full copy of which is attached hereto as Appendix A and marked “Appendix A – Full Text of Bond Measure” (the “Full Text of the Measure”), containing the question of whether the District shall issue general obligation bonds for the purposes stated therein, together with the accountability requirements of Article XIII A and the requirements of Section 15272 of the Act. The Full Text of the Measure, which commences with the heading “FULL TEXT OF BOND MEASURE” and includes all of the text thereafter on Appendix A, shall be printed in the voter information pamphlet provided to voters, with such measure designation as is assigned to the measure by the County elections official.

As required by Education Code Section 5322 and 15122, Elections Code Section 13247, and in accordance with Elections Code Section 13119, the abbreviated statement of the measure to appear on the ballot is attached hereto as Appendix B and is marked as “Appendix B – Abbreviated Form of Bond Measure.”.

The President of the Board and the Superintendent are hereby separately authorized and directed to make any changes to the text of the bond measure as described herein to conform to any requirements of the Law or the County Registrar, to changes in applicable legal provisions, to address word count limitations, and upon the advice of its legal counsel. Any such changes shall be directed in writing by the Superintendent to the County Registrar.

Section 5. Authority for Election. The authority for ordering the election is contained in Section 15264 *et. seq.* of the Education Code, Article XVI Section 18(b) of the California Constitution and paragraph (b) subsection (3) of Article XIII A. The authority for the specification of this election order is contained in Section 5322 of the Education Code.

Section 6. Proceeds for School Facilities Projects. The Board certifies that the proceeds from the sale of the bonds will be used only for the purposes specified in Article XIII A, Section 1(b)(3) as further specified in Appendix A, and not for any other purpose, including teacher and administrator salaries and other school operating expenses. Further, as required by Article XIII A, the Board hereby certifies that it has evaluated safety, class size and information technology needs in developing the list of school facilities projects set forth in Appendix A.

Section 7. Covenants of the Board upon Approval of the Bonds by the Electorate; Accountability Measures. As required by Article XIII A, Section 15278 of the Act, and Government Code Section 53410, in the event 55 percent of the voters voting in the District approve of the Bonds, the Board shall:

- (a) conduct an annual, independent performance audit to ensure that the funds have been expended only on the projects listed in Appendix A;
- (b) conduct an annual, independent financial audit of the proceeds from the sale of the Bonds until all of those proceeds have been expended for the school facilities projects listed in Appendix A;
- (c) establish and appoint members to an independent citizens' oversight committee in accordance with Sections 15278, 15280, and 15282 of the Act;
- (d) apply the Bond proceeds only to the specific purposes stated in the ballot proposition;
- (e) cause the creation of accounts into which bond proceeds shall be deposited; and
- (f) cause the preparation of an annual report pursuant to Government Code Sections 53410 and 53411.

Section 8. State Matching Funds. The Board hereby finds that some of the projects identified on the Full Text of Measure will require state matching funds for completion. As such, the statement required by Education Code Section 15122.5 has been included in the Full Text of Measure attached hereto which shall be reproduced in the sample ballot.

Section 9. Delivery of this Resolution. The Clerk of the Board is hereby directed to send a copy of this Resolution to (1) the County Registrar, and (2) the Fresno County Clerk of the Board of Supervisors (the "Clerk of the Board") for purposes of consolidation pursuant to Elections Code Section 10403. The Resolution shall be received by the County Registrar and the Clerk of the Board no later than 88 days prior to the election date, unless otherwise permitted by law.

The County Registrar is hereby requested to print the full text of the ballot measure in the ballot materials as it appears on Appendix A hereto and to provide all required notices of the election and other notices related thereto.

Section 10. Consolidation of Election; Request to Provide Services. The County Registrar and the Fresno County Board of Supervisors are hereby requested to consolidate the election ordered hereby with any and all other elections to be held on November 3, 2020 within the District.

Pursuant to Section 5303 of the Education Code and Section 10002 of the Elections Code, the Board of Supervisors of Fresno County is requested to permit the County Registrar to render all services specified by Section 10418 of the Elections Code relating to the election, for which services the District agrees to reimburse Fresno County in full upon presentation of a bill from the County, such services to include the publication of a formal Notice of School Bond Election and the mailing of the sample ballot and tax rate statement (described in Section 9401 of the Elections Code).

Section 11. Approval of Tax Rate Statement. Pursuant to Elections Code Section 9400 and following, a tax rate statement has been prepared in the form attached hereto as Appendix C, which form of Tax Rate Statement is hereby approved for inclusion in the sample ballot. The President of the Board, the Superintendent, or any written designee of the foregoing, are hereby separately authorized and directed to execute the tax rate statement, and to file said Statement with the County Registrar, in accordance with Section 9 hereof.

Section 12. Ballot Arguments. As provided in Elections Code Section 9501, any and all members of this Board are hereby authorized to act as an author of any ballot argument prepared in connection with the election, including a rebuttal argument.

Section 13. Maturity Limit of Bonds; Covenant Regarding Maximum Term. The Bonds may be issued in one or more series by the District from time to time. The District covenants that the term of each series of the Bonds will not extend longer than 25 years from the date of issuance. The Bonds shall be issued under the Act, under the provisions of Section 53506 *et seq.* of the California Government Code, or under any other provision of law authorizing the issuance of general obligation bonds by school districts.

Section 14. Estimates Included in Ballot Materials. The measure and related tax rate statement authorized by this Resolution includes certain information which is based upon reasonable assumptions and current expectations, which include information with respect to the amount of money required to repay issued bonds, the estimated rate of the approved tax levy per

\$100 and per \$100,000 of assessed valuation, and the duration through which the proposed tax levy supporting bond repayment will be levied and collected.

In particular, in connection with this bond measure, the District expects that bonds issued pursuant to this measure will not result in an increase the rate of the tax levy for the District's currently outstanding general obligation bonds, in the aggregate, from the levy placed on the 2019-20 property tax roll (\$155.35 per \$100,000 of assessed value), which is the most recently available tax rate due at the time of adoption of this Resolution. In connection with this current expectation, the District has examined the debt service requirements due on its previously issued and outstanding voter-approved general obligation bonds, the District's fiscal year 2019-20 assessed value and the future projected assessed value taking into account reasonable assessed value growth estimates. Due to the currently scheduled payment of outstanding bonds, and the expectation that tax levies required for bonds issued pursuant to this measure will commence in fiscal year 2021-22, the District expects that this bond measure will not increase current tax rates in the aggregate. The period through which the tax rate will apply is through the final maturity date of the bonds approved by this measure (which is expected to be a longer duration than existing debt), as more particularly identified in the Tax Rate Statement set forth in Appendix C hereto.

Any estimates and expectations have been provided by the District in good faith based upon information currently available to the District, but such items depend on numerous factors which are subject to variation and change over the term of the District's overall facilities and bond financing plan. General obligation bonds are secured by a tax levy which in accordance with State law is unlimited as to rate or amount. As such, although provided in good faith and based on information currently known to the District, the estimates and approximations provided with this bond measure are not intended to be additional restrictions on the District's bond program, bond issuances and tax rate, and, other than the total principal amount of bonds authorized to be issued by the bond measure, shall not represent legal maximums or additional limitations on bond issuance, including on the tax levy securing the bonds or other structuring and repayment terms.

Section 15. Joint/Community Use. Using funds from the Bonds, the District may enter into agreements with the City of Fresno, the City of Clovis, the County of Fresno or other agencies or nonprofit organizations for joint use of school facilities in accordance with State law. The District may seek State grant or matching funds for eligible joint-use projects as permitted by law,

and Bond funds may to be used to fund all or a portion of the share for such eligible joint-use projects as the Board shall determine.

Section 16. Request for Measure “A” Designation. The District has been assigned the measure designation “A” on past measures, since the year 1986. At the time that the County Registrar assigns measure designations pursuant to Elections Code Section 13116 to measures appearing on the November 3, 2020 ballot, the District respectfully requests, for consistency with its voters and to avoid voter confusion, that the bond measure called by this Resolution be designated by the letter “A”.

Section 17. Official Actions. The President of the Board and the Superintendent are hereby separately authorized and directed to execute and deliver to County officials any directions, requisitions or other writings, and to make any changes to the texts of the measure as described herein and in the tax rate statement, to conform to any legal requirements or the County Registrar, in order to cause the election to be held and conducted in the District.

Section 18. Effective Date. This resolution shall take effect on and after its adoption.

The FOREGOING RESOLUTION was adopted by the Governing Board of the Clovis Unified School District of Fresno County, State of California, at a meeting of said Board held on the 15th day of July, 2020.

APPENDIX A

FULL TEXT OF BOND MEASURE

INTRODUCTION

The following is the abbreviated form of the Clovis Unified School District bond measure:

With no estimated increase to current tax rates, shall Clovis Unified School District's measure to maintain neighborhood schools, offset state budget cuts, and avoid school overcrowding by: building, repairing and modernizing school facilities, upgrading security/safety systems; expanding career/vocational program facilities; be adopted, authorizing \$335 million in bonds at legal interest rates, levying 6¢/\$100 assessed value, raising \$27.3 million annually to repay bonds through maturity, with audits, citizens' oversight, and no money for administrators' salaries?

BOND AUTHORIZATION

By approval of this measure by at least 55 percent of the registered voters voting on the measure, the Clovis Unified School District will be authorized to issue and sell bonds of up to \$335 million in aggregate principal amount at interest rates not to exceed legal limits and to provide financing for the specific types of school facilities projects listed in the Bond Project List described below, subject to all the accountability requirements specified below.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this measure in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following.)

Evaluation of Needs. The School Board has identified detailed facilities needs of the District and has determined which projects to finance from a local bond. The School Board hereby certifies that it has evaluated safety, class size reduction, enrollment growth, and information technology needs in developing the Bond Project List shown below.

Independent Citizens' Oversight Committee. Following approval of this measure, the Board of Trustees will establish an Independent Citizens' Oversight Committee, under Education Code Sections 15278 and following, to ensure bond proceeds are expended only on the types of school facilities projects listed below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the School Board.

Performance Audits. The School Board will conduct annual, independent performance audits to ensure that the bond proceeds have been expended only on the school facilities projects listed below.

Financial Audits. The School Board will conduct annual, independent financial audits of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed below.

Government Code Accountability Requirements. As required by Section 53410 of the Government Code, (1) the specific purpose of the bonds is set forth in this Full Text of the Measure, (2) the proceeds from the sale of the bonds will be used only for the purposes specified in this measure, and not for any other purpose, (3) the proceeds of the bonds, when and if issued, will be deposited into a building fund to be held by the Fresno County Treasurer, as required by the California Education Code, and (4) the Superintendent of the District shall cause an annual report to be filed with the Board of Trustees of the District not later than January 1 of each year, which report shall contain pertinent information regarding the amount of funds collected and expended, as well as the status of the projects listed in this measure, as required by Sections 53410 and 53411 of the Government Code.

NO TEACHER OR ADMINISTRATOR SALARIES

Proceeds from the sale of bonds authorized by this measure shall be used only for the purposes specified in Article XIII A, Section 1(b)(3), those being for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and the acquisition or lease of school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

COVENANT REGARDING MAXIMUM BOND TERM

The bonds may be issued in one or more series. Each series of bonds authorized by this measure will not have a term that extends more than 25 years from the date of issuance.

STATE MATCHING FUNDS

The following statement is included in this measure pursuant to Education Code Section 15122.5: Approval of this measure does not guarantee that the proposed project or projects that are the subject of bonds under this measure will be funded beyond the local revenues generated by this measure. The District's proposal for the project or projects described below may assume the receipt of matching state funds, which, if available, could be subject to appropriation by the Legislature or approval of a statewide bond measure.

INFORMATION ABOUT ESTIMATES AND PROJECTIONS INCLUDED IN BALLOT

Voters are informed that any estimates or projections in the bond measure or ballot materials, including relating to estimated tax rates, the duration of issued bonds and related tax levies and collections are provided as informational only. Such amounts are estimates and are not maximum amounts or limitations on the terms of the bonds, the tax rate or duration of the tax supporting repayment of issued bonds. Such estimates depend on numerous variables which are subject to variation and change over the term of the District's overall facilities and bond financing plan, including but not limited to the amount of bonds issued and outstanding at any one time, the interest rates applicable to issued bonds, market conditions at the time of sale of the bonds, when bonds mature, timing of project needs and changes in assessed valuations in the District. In addition, the District expects that due to scheduled amortization of currently outstanding general obligation bonds, the expected timing of property tax levies required to amortize bonds issued pursuant to this measure (commencing in 2021-22), and taking into account reasonable assessed valuation growth estimates, that if this measure is successful and bonds are issued, the tax rate required to be levied for bonds pursuant to this measure will not cause an increase in the aggregate tax rate that applied for District general obligation bonds from the rate placed on the 2019-20 property tax roll (which is the most current tax roll available at the time of placing this measure on the ballot). While such estimates and approximations are provided based on information currently available to the District and its current expectations, such estimates and approximations are not limitations or maximums on the terms of bonds or the related tax levies.

BOND PROJECT LIST

Scope of Projects. Bond proceeds will be expended on the modernization, renovation, expansion, acquisition, construction/reconstruction, rehabilitation, and/or replacement of school facilities of the Clovis Unified School District, including the furnishing and equipping of such facilities, at current and future sites and properties.

School Facility Project List. The items presented on the following list provide the types of projects authorized to be financed with the proceeds of bonds authorized by this measure. Specific examples included on this list are not intended to limit the more general types of projects described on this list and authorized by this measure. The types of projects authorized are:

- **Acquire, Install and Implement School Safety and Security Upgrades,** including security and access control systems, surveillance systems/cameras, fire alarms, sprinkler systems, alarm systems, communication systems, public address systems, fencing and lighting.
- **Improvements and Upgrades to Ensure Health Safety,** including replacement/removal of old building materials now known to be hazardous and improvements to ensure quality drinking water, and upgrade/repair/acquire heating, ventilation and air conditioning (HVAC) systems.
- **Constructing and Expanding Educational Facilities,** including a new educational complex and all related improvements for a complete new facility to serve students, teachers, staff and the community and deliver a complete

educational program including career and vocational training, science, arts and athletics, resulting in expanding educational programs and capacity to prevent overcrowding, and further including construction and expansion of existing facilities and replacing temporary or portable classrooms with permanent or upgraded facilities.

- **Upgrade, Modernize, Expand and Rehabilitate Aging School Facilities to Provide a Modern Educational Environment**, including for classrooms, labs, career tech and training, college preparation, athletic, performing arts, cafeterias, kitchens and other educational and support facilities, including repairing and/or replacing interior finishes such as floors, paint, lighting, acquiring updated furnishings and equipment, updating restrooms, and providing outside learning or gathering areas including shade structures.
- **Upgrades to Facilitate Up-To-Date Modern Technology and Access to Education**, including installing all necessary infrastructure for connectivity and security, providing technology equipment and devices and modern instructional equipment, software and hardware, and further including upgrade and equipping of facilities to be used for science and technology programs, including labs and project-based facilities.
- **Ensure ADA Accessibility and Compliance With All Legal Requirements**, including ensuring barrier free access, updates to restrooms, drinking fountains, and other facilities, and upgrades to ensure compliance with all applicable building and other legal codes and standards for school facilities.
- **Improvements to School Grounds and Outdoor Equipment**, including improvements/expansions to drop-off areas and parking, parking controls, improving and upgrading playgrounds, walkways and parking areas, replacement/repair of damaged or non-compliant playground equipment, acquire and install shade structures, signage, landscaping including drought-resistant landscaping, irrigation systems and lighting.
- **Acquisition and Installation of Improvements That Ensure Energy Efficient Facilities**, including windows, doors, flooring, insulation, lighting including control systems, roofing.
- **Infrastructure Improvements and Expansions**, including electrical, gas, utility, plumbing and sewer, including renewable energy systems.
- **Renovation, Upgrades and Construction of P.E. and Athletic Facilities**, including all related improvements to playgrounds, gymnasiums, tracks, fields, stadiums, aquatics, weight rooms and locker rooms, including furnishing and equipping, and all related improvements such as lighting, seating, bleachers and sound systems.

Furnishing and Equipping; Incidental Expenses. Each of the bond projects described in

this Bond Project List include the costs of furnishing and equipping such facilities, and all costs which are incidental but directly related to the types of projects described above. Examples of incidental costs include, but are not limited to: costs of design, engineering, architect and other professional services, facilities assessments, inspections, site preparation, utilities, landscaping, bond project construction management, administration and other planning and permitting, legal, accounting and similar costs; independent annual financial and performance audits; a customary construction contingency; demolition and disposal of existing structures; the costs of interim housing and storage during construction including relocation and construction costs incurred relating to interim facilities; rental or construction of storage facilities and other space on an interim basis for materials and other equipment and furnishings displaced during construction; costs of relocating facilities and equipment as needed in connection with the projects; interim classrooms and facilities for students, administrators, and school functions, including modular facilities; federal and state-mandated safety upgrades; addressing unforeseen conditions revealed by construction/modernization and other necessary improvements required to comply with existing building codes, including the Field Act; access requirements of the Americans with Disabilities Act; and costs of the election.

Alternations to Scope; New Construction. The District may alter the scope and nature of any of the specific projects that are described above as required by unforeseen conditions that may arise during the course of design and construction. In the event that a modernization or renovation project may result in higher costs than new construction, this bond measure authorizes land acquisition, relocation and construction and/or reconstruction, and all costs relating thereto, for said reasons or, alternatively, based on other considerations deemed in the best interest of the District by the Board of Trustees.

Interim Financing Included; Joint Use Projects Authorized. Authorized projects include paying and/or prepaying interim or previously obtained financing for the types of projects included on the project list, such as bond anticipation notes and lease financings. Projects may also be undertaken on a joint use basis with other public entities.

Other Funding Sources. Approval of this bond measure does not guarantee that the proposed projects will be funded beyond the local revenues generated by the measure. The District's capital needs currently exceed the amount of bonds the voters are being asked to authorize. The District plans to pursue funds from other sources to advance the identified projects to the greatest extent possible. If matching funds from the State or any other source become available as a result of this measure, they will be used for and applied to projects identified on the Project List.

Project List Not in Order of Priority; Unforeseen Circumstances. The order in which particular projects are listed is not intended to suggest priority for funding or completion, and itemization of projects in the list above does not guarantee that all such projects will be undertaken. Project priorities will be determined by the Board of Trustees. The ability of the District to undertake and complete the listed projects is subject to numerous variables including the adequacy and availability of sufficient funding sources. The District is unable to anticipate all unforeseen circumstances which may prevent some of the projects listed above from being undertaken or completed.

APPENDIX B

ABBREVIATED FORM OF BOND MEASURE

With no estimated increase to current tax rates, shall Clovis Unified School District's measure to maintain neighborhood schools, offset state budget cuts, and avoid school overcrowding by: building, repairing and modernizing school facilities, upgrading security/safety systems; expanding career/vocational program facilities; be adopted, authorizing \$335 million in bonds at legal interest rates, levying 6¢/\$100 assessed value, raising \$27.3 million annually to repay bonds through maturity, with audits, citizens' oversight, and no money for administrators' salaries?

APPENDIX C

TAX RATE STATEMENT REGARDING PROPOSED CLOVIS UNIFIED SCHOOL DISTRICT GENERAL OBLIGATION BONDS

An election will be held in the Clovis Unified School District (the "District") on November 3, 2020, to authorize the sale of up to \$335 million in bonds of the District to finance school facilities as described in the measure. If such bonds are authorized and sold, principal and interest on the bonds will be payable only from the proceeds of *ad valorem* tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate which would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on a projection of assessed valuations available at the time of filing of this statement, is \$0.05140 per \$100 of assessed valuation (or \$51.40 per \$100,000 of assessed value). The final fiscal year in which the tax is anticipated to be collected is 2046-47.
2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on a projection of assessed valuations available at the time of filing of this statement, is \$0.06 per \$100 of assessed valuation (or \$60.00 per \$100,000 of assessed value). It is estimated that such rate would be levied starting in fiscal year 2023-24 and in certain years following.
3. The tax rates associated with the 2020 bonds combined with the District's outstanding obligations, based on a projection of assessed valuations, are estimated not to increase aggregate future tax rates above the current tax rate of \$0.15535 per \$100 of assessed valuation (or \$155.35 per \$100,000 of assessed value).
4. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is approximately \$710 million.

Voters should note the estimated tax rate is based on the assessed value (not market value) of taxable property on the County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary from those used to provide the estimates set forth above, due to factors such as variations in the timing of bond sales, the par amount of bonds sold and market interest rates available at the time of each sale, actual assessed valuations over the term of the bonds, and other factors. The date and amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. The actual interest rates at which the bonds will be sold will depend on conditions in the bond market at the time of sale. Actual future assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

RECOMMENDATION:

Accept the donation of miscellaneous theatrical costume items from StageWorks Fresno to the Mercedes Edwards Theatre costume shop inventory, to be used throughout the Clovis Unified School District for theatrical productions.

DISCUSSION:

StageWorks Fresno is dissolving and wishes to donate numerous costume items to the Mercedes Edwards Theatre costume shop for use in CUSD theatrical productions. The costumes are valued at \$15,000.00

FOR ACTION: July 15, 2020

RECOMMENDATION:

Approve the Provisional Internship Permit for the recommended teaching candidates, as submitted.

DISCUSSION:

The Provisional Internship Permit (PIP) is available when the employing agency knows that there will be a teacher vacancy yet is unable to recruit a suitable candidate. The expectations of the employer and the employee are higher since these individuals will be the teacher of record and should be on a credential track. The focus of the document is meeting subject matter competency. Once a candidate completes subject matter competency, the candidate can be employed on a document such as a District Internship Credential. Candidate requirements include the following: (1) Bachelor's degree or higher; (2) passage of the California Basic Educational Skills Test (CBEST); and (3) specific course work or experience, explained in detail on the Provisional Internship Permit information leaflet.

As required by the California Commission on Teacher Credentialing (CCTC), employing agencies offering employment to candidates on a Provisional Internship Permit are required to: (1) conduct a diligent search for a suitable credentialed teacher or qualified internship teacher; (2) provide the PIP holder with orientation, guidance, and assistance as specified in Title 5 Section 80026.5; (3) assist the PIP holder in developing a personalized plan (kept on file at the local level) through an agency-defined assessment leading to completion of subject matter competence; and (4) counsel the PIP holder to enroll in subject matter training. Clovis Unified School District administration hereby declares that a diligent search was conducted for suitable credentialed teachers or qualified internship teachers. Upon Board approval, District administration asserts that steps 2-4, as outlined above, will be completed.

School districts submitting Provisional Internship Permit requests must include verification that a notice of intent to employ the applicants in the identified positions was made public. The public notice must include the following information: (1) the name of the applicant(s); (2) the assignment in which the applicant(s) will be employed including subject(s), grade level(s), and school site; and (3) a statement that the applicant(s) will be employed on the basis of a Provisional Internship Permit. Clovis Unified intends to submit a Provisional Internship Permit request for the following teacher candidates, contingent upon administration and Board approval:

Name of Applicant	Assignment	Grade Level	School Site	Employment Status
Nathan Case	BioSciences	9-12	Clovis High School	PIP (Single Subject BioSciences)
Erin Fisher	SDC Preschool	K-6	Reagan Elementary	PIP (Moderate/Severe and Early Childhood Special Ed)

A Provisional Internship Permit shall be issued for one year and may not be renewed.

Lastly, public school districts must include a copy of the agenda item presented to the Governing Board of the District. The agenda item must be presented in a public meeting as an Action item and include the information above for each individual for whom the permit will be requested. The permit request must include a signed statement from the Superintendent, or designee, that the item was acted upon favorably. To assure that each permit request receives individual review and approval by the Governing Board, the agenda item may not be part of the Consent agenda.

RECOMMENDATION:

Approve the Variable Term Waiver Request, as submitted, to provide the necessary time for the teacher to earn an Adapted Physical Education Added Authorization.

DISCUSSION:

District Administration has actively sought qualified candidates who hold the appropriate subject matter credentials inclusive of Adapted Physical Education Added Authorizations. In cases where a Physical Education credential holder is required to hold an Adapted Physical Education (APE) Added Authorization, but does not yet hold this authorization, it is necessary to request a Variable Term Waiver.

Currently, Clovis Unified School District employs the following teacher who holds a clear Physical Education teaching credential. This credential does not include the Adapted Physical Education Added Authorization.

<u>Name of Applicant</u>	<u>Assignment</u>	<u>Grade Level</u>	<u>School Site</u>	<u>Employment Status</u>
Aaron Quick	Adapted Physical Education Teacher	K-12	District Wide Special Education	Special Education Adapted Physical Education

The anticipated date of program completion to obtain the Adapted Physical Education (APE) Added Authorization for the above-referenced teacher will be approximately August 2021.

As such, it is recommended that this Variable Term Waiver Request be approved to provide the time necessary for the teacher to earn his Adapted Physical Education (APE) Added Authorization.

12. CHILD ABUSE AND NEGLECT MANDATED REPORTING (to be answered by the applicant)

As a document holder authorized to work with children, it is part of my professional and ethical duty to report every instance of child abuse or neglect known or suspected to have occurred to a child with whom I have professional contact.

I understand that I must report immediately, or as soon as practicably possible, by telephone to a law enforcement agency or a child protective agency, and will send a written report and any evidence relating to the incident within 36 hours of becoming aware of the abuse or neglect of the child.

I understand that reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person is not a substitute for making a mandated report to a law enforcement agency or a child protective agency.

I understand that the reporting duties are individual and no supervisor or administrator may impede or inhibit my reporting duties.

I understand that once I submit a report, I am not required to disclose my identity to my employer.

I understand that my failure to report an instance of suspected child abuse or neglect as required by the Child Abuse and Neglect Reporting Act under Section 11166 of the Penal Code is a misdemeanor punishable by up to six months in jail or by a fine of one thousand dollars (\$1,000), or by both that imprisonment and fine.

I acknowledge and certify that as a document holder, I will fulfill all the duties required of a mandated reporter.

I agree

13. PUBLIC NOTICE -- CHECK THE BOX THAT APPLIES

Public School District: Attached is a copy of the agenda item presented to the governing board of the school district in a public meeting showing the name of the applicant, the specific assignment including subject and grade level, and the fact that employment will be on the basis of a credential waiver. With the signature of the superintendent or his or her designee in item #14 below, the person signing verifies that the board acted upon the item favorably.

By submitting this waiver request the district is certifying that reasonable efforts to recruit a fully prepared teacher for the assignment(s) were made in the following order:

1. A candidate who is qualified to participate in an approved internship program in the region of the school district
2. An individual who is scheduled to complete initial preparation requirements within six months

County Office of Education, State Agency, or Nonpublic, Nonsectarian School or Agency: Attached is a dated copy of the notice that was posted at least 72 hours before the position was filled showing the name of the applicant, the specific assignment including subject and grade level, and the fact that employment will be on the basis of a credential waiver. With the signature of the superintendent or administrator or his or her designee in item #15 below, the person signing verifies that there were no objections to this waiver request.

14. APPLICANT'S CERTIFICATION

I understand that in order to receive a subsequent waiver for this assignment I must pursue the completion of requirements to obtain full certification in the subject or area covered by this waiver request as specified in #7 above.

I understand that if my case is heard in a public meeting, all materials submitted to the Commission regarding my suitability, including grades and test scores, may be discussed.

I hereby certify (or declare) under penalty of perjury under the laws of the State of California that all of the foregoing statements in this application are true and correct.

Signature of Applicant

(Sign full legal name as listed in #2)

Date

15. EMPLOYING AGENCY CERTIFICATION *(To be signed by district or county superintendent, personnel administrator, NPS/NPA administrator, or designee.)*

The person for whom this waiver is requested will not be employed until he or she has been cleared by the Department of Justice under the provisions of Education Code Section 44332.6 and Section 44830.1 (AB1612). The employer acknowledges that the Commission's final approval of this individual's waiver will be determined by a fitness review covering, in part, criminal activity, including certain in-state and/or out-of-state convictions. If this waiver request is for service to special education children, the Special Education Local Planning Area (SELPA) has been notified of our intent to request this waiver.

I certify under penalty of perjury that the information provided in this report is accurate and complete.

FOR ACTION: July 15, 2020

RECOMMENDATION:

Approve the Variable Term Waiver Request, as submitted, to provide time for the teacher to earn their full SDAIE authorization.

DISCUSSION:

District Administration has actively sought qualified candidates who hold the appropriate subject matter credentials inclusive of English Learner authorizations. In cases where a Designated Subjects (DS) and/or Career Technical Education (CTE) credential holder is required to hold a Specially Designed Academic Instruction Delivered in English (SDAIE) authorization, but does not yet hold this authorization, and is not able to obtain an emergency Cross-cultural, Language and Academic Development (CLAD) permit, it is necessary to request a Variable Term Waiver.

Currently, Clovis Unified School District employs the following candidate who will attain a preliminary DS teaching credential. This credential will not include an SDAIE authorization while in a preliminary status.

<u>Name of Applicant</u>	<u>Assignment</u>	<u>Grade Level</u>	<u>School Site</u>	<u>Employment Status</u>
Lee Mayberry	CTE Public Services	9-12	Clovis East High School	Career Technical Education

The anticipated date(s) of program completion to obtain the SDAIE/English Learner authorizations for the above-referenced candidate will be approximately August 2022. As such, it is recommended that this Variable Term Waiver Request be approved to provide the time necessary for the teacher to earn his full SDAIE/English Learner authorization.

This item is presented directly for Action as the 2020-21 school year is shortly underway.

RECOMMENDATION:

Approve the Step-Down Variable Term Waiver Request (SD-VTW), as submitted.

DISCUSSION:

District Administration has actively sought qualified educators who are fully credentialed and hold the appropriate subject matter authorizations. The current COVID-19 environment is presenting educators with significant challenges to completing their credential programs. Many are unable to complete their preparation, examinations and/or clinical practice/fieldwork due to the health and safety conditions related to COVID-19. The Commission on Teacher Credentialing (CTC) has taken action for those impacted between March 19, 2020, through September 1, 2020, who served on a Provisional Internship Permit (PIP) or Short-Term Staff Permit (STSP) during the 2019-20 school year to step down to a Variable Term Waiver if they have exhausted all possible options under current regulations.

In cases where permit holders are unable to get program sponsor certification due to COVID-19 conditions, it is necessary to request a Step-Down Variable Term Waiver.

Currently, Clovis Unified School District employs the following teachers who held Short Term Staff Permits in 2019-20;

<u>Name of Applicant</u>	<u>Assignment</u>	<u>Grade Level</u>	<u>School Site</u>	<u>Employment Status</u>

Authorize the Superintendent or designee to enter into an agreement with Comprehensive Youth Services to provide support services for the Parent Resource Centers in the Buchanan, Clovis, Clovis East, Clovis West and Alternative Education areas during the 2020-21 school year, as submitted.

DISCUSSION:

Comprehensive Youth Services (CYS) will provide coaching support to Buchanan, Clovis, Clovis East, Clovis West and Alternative Education area staff, focusing on assisting in the development of the vision of each school's Parent Resource Center. Comprehensive Youth Services will bring services to the centers and will facilitate staff in supporting the needs of students and families. Due to the lower LCAP unduplicated numbers in the Clovis North Area, they are able to provide this support and services without the current need for CYS.

In addition, Comprehensive Youth Services will provide the hours listed below of Therapeutic Counselor(s) staff services:

- Buchanan Area: Not to exceed 20 hours per week
- Clovis Area: Not to exceed 40 hours per week
- Clovis East Area: Not to exceed 40 hours per week

Authorize the Superintendent or designee to enter into an agreement with Murdoch, Walrath & Holmes to provide advocacy and consultant services related to legislative advocacy for school facilities for the period from July 1, 2020, through June 30, 2022, based on the terms and conditions as outlined below.

DISCUSSION:

For many years, the District has utilized the services of Murdoch, Walrath & Holmes to provide advocacy on behalf of Clovis Unified School District's school construction projects before the State Allocation Board (SAB), the Office of Public School Construction (OPSC) and the legislature. Murdoch, Walrath & Holmes will proactively inform CUSD of potential changes in State policies which may affect the District's eligibility for State funding; represent CUSD's interests with regard to proposals to modify the School Facility Program; consult with CUSD regarding capital outlay issues, including the construction and financing of new schools and the rehabilitation of old schools; and will attend meetings with State staff on an as-needed basis. The current agreement expired June 30, 2020.

Because of the excellent services the District has received from the aforementioned firm, it is suggested the Board authorize the Superintendent or designee to enter into a two-year agreement with Murdoch, Walrath & Holmes to provide services as identified above, for the period commencing July 1, 2020, and continuing on a month-to-month basis. The cost of the proposed agreement for legislative advocacy services is \$2,500 per month, which is consistent with the prior agreement.

RECOMMENDATION:

Ratify a Memorandum of Understanding with the California Teaching Fellows Foundation (CTFF) effective August 1, 2020, through June 30, 2021, in order to provide additional instructional assistants and direct support to all students who qualify for Clovis Unified's After School Education and Safety (ASES) Program.

DISCUSSION:

California Teaching Fellows Foundation (CTFF) employs undergraduates enrolled in a community college or university. CTFF reaches undergraduates in fields beyond teacher preparation to include kinesiology, science, engineering, business, art, music, drama, recreation and more. Teaching Fellows (TF) tutors reinforce their own learning by teaching in their chosen field, while K-12 students gain from engaging teaching methods. In Clovis Unified, CTFF staff the ASES Program at all 12 of Clovis Unified's Title I Elementary Schools where the program is offered as well as staffing several regular day school programs across the district.

The ASES Program is an extension of the regular school day in partnership with community agencies to provide afterschool education and enrichment. Student and parent surveys indicate that participation in the ASES Program help increase and improve students' academic achievement, attendance, and a sense of school pride.

In addition, the Every Student Succeeds Act (ESSA) requires local educational agencies (LEA) to determine schools that meet the criteria for Comprehensive Support and Improvement (CSI). Once determined, LEA and CSI schools must partner with stakeholders to locally develop and implement a plan to improve student outcomes. Both Gateway and Clovis Community School Day (CCDS) will use CTFF to support and improve student outcomes as seen in Table 2.

Teaching Fellows are supervised by credentialed site certificated leads and receive ongoing professional development provided by the school site, CTFF, and the district. Teaching Fellows bring energetic, trained staff members to help students after the regular school day and in turn receive hands-on experiences in preparation for a career in education. The use of CTFF participants was first approved by the CUSD Governing Board in March 2007.

Each school's ASES Program contract with CTFF is based on the number of TF staff and their projected work hours. As seen in Table 1, the following is the distribution of resources by each of school and/or department:

RECOMMENDATION:

Accept the fourth quarter summary report of zero complaints related to the requirements of the Williams Lawsuit Settlement, as submitted.

DISCUSSION:

As a result of the Williams Lawsuit Settlement, the District is required to post notices of obtaining and filing complaints regarding instructional materials, school facilities, teacher vacancies and mis-assignments. Principals are required to report all complaints falling under the Uniform Complaint Procedure to their Area Superintendent. The District shall report summarized data, on a quarterly basis, on the nature and resolution of all complaints to the Governing Board and the County Superintendent of Schools.

During the fourth quarter of the 2019-20 school year, the District received zero (0) complaints under the guidance of the Williams Lawsuit Settlement, as reflected in the attached report.

RECOMMENDATION:

Adopt Resolution No. 3768 approving the opening of a new State-funded morning and afternoon preschool program at Janet L. Young Elementary School starting the 2020-21 school year.

DISCUSSION:

The Child Development Department Preschool Program requests that the Governing Board grant permission to open a new State-funded preschool program at Janet L. Young Elementary.

The department is currently serving preschool children at 28 school sites. The primary focus of the program is to prepare preschool-age children for kindergarten, providing a quality program for the development of the physical, cognitive, social and emotional needs of each child participating.

FISCAL IMPACT/FUNDING SOURCE:

Included in the 2020-21 Child Development Budget.

RECOMMENDATION:

Adopt Resolution No. 3770 authorizing the Superintendent or designee to enter into an annual agreement with the California Department of Education for services to be provided to Clovis Unified School District preschool students effective July 1, 2020, through June 30, 2021.

DISCUSSION:

Since 1980, Clovis Unified has partnered with the California Department of Education (CDE) to provide much-needed preschool opportunities for students. Contract No. CSPP-0070, Project No. 10-06211-00-0 provides funding to continue these services for the 2020-21 school year. This funding will allow the District to serve approximately 1,000 preschool students.

RECOMMENDATION:

Adopt Resolution No. 3775 authorizing the District to hire a CalPERS retiree prior to the 180-day post-retirement waiting period.

DISCUSSION:

A retiree can return to work for a school district employer without reinstating into active service and without an impact on their pension benefit if they return to work for one of the following reasons (Government Code Section 7522.56):

- An emergency to prevent stoppage of public business
- The retiree has skills needed to perform work of limited duration

A public agency retiree cannot return to work for at least 180 days after retirement unless the following conditions are met (Government Code 7522.56):

- The employer certifies that the appointment is necessary to fill a critically needed position before 180 days have passed.
- The appointment has been approved by the governing body of the employer in a public meeting.

The District finds the appointment of retiree, Richard Thaxton, is necessary to fill the critically needed position of School Bus Driver II for the District. Due to the impact of the COVID-19 pandemic the District has a need for qualified school bus drivers. The employment for the retiree shall be limited to 960 hours per fiscal year.

Resolution No. 3775 will be included in the August 12, 2020, Board agenda.

RECOMMENDATION:

Adopt Resolution No. 3777 authorizing the Superintendent or designee to submit an application to the San Joaquin Valley Air Pollution Control District to participate in the New Alternative Fuel Vehicle grant program.

DISCUSSION:

Clovis Unified has the opportunity to participate in the San Joaquin Valley Air Pollution Control District (SJVAPCD) New Alternative Fuel grant program to purchase alternative fuel vehicles. The grant will be awarded on a first-come, first-served basis. If awarded, the grant will provide funding up to a maximum of \$100,000 per agency, per calendar year.

The District is requesting approval to submit an application to replace seven (7) electric utility carts. Two (2) utility carts will be purchased for custodial staff and two (2) utility carts will be purchased for grounds; at a cost of \$13,200 each, for a total of \$52,800. The remaining three (3) utility carts will be purchased for Campus Catering at a cost of \$16,000 each, for a total of \$48,000. The total cost is projected to be \$100,800.

FISCAL IMPACT/FUNDING SOURCE:

If awarded, the grant will fund \$100,000 of the purchase. The balance of \$800 will be funded by the Campus Catering fund.

NEW ALTERNATIVE FUEL VEHICLE PURCHASE
SAN JOAQUIN VALLEY AIR POLLUTION
CONTROL DISTRICT**

WHEREAS, funds have been appropriated to the San Joaquin Valley Air Pollution Control District (SJVAPCD) for New Alternative Fuel Vehicle Purchase. The purpose of the New Alternative Fuel Vehicle Purchase is to fund the purchase of new electric, plug-in hybrid, or alternative fueled vehicles for public agencies to promote clean air alternative-fuel technologies and the use of low- or zero-emission vehicles in public fleets; and

WHEREAS, this program will provide up to \$20,000 per vehicle, with a limit of \$100,000 per agency, per calendar year, for the purchase of new alternative-fueled vehicles. Applicants must obtain approval and have a signed, executed contract from the SJVAPCD prior to purchase of a vehicle. Any vehicle purchased prior to contract execution is ineligible; and

WHEREAS, the District is applying for seven (7) electric utility carts under this grant.

THEREFORE, BE IT RESOLVED that the Clovis Unified School District's Governing Board authorizes said school district to participate in the Public Benefit Grants Program – New Alternative Fuel Vehicle Purchase, and, enter into a contract with SJVAPCD.

BE IT ALSO RESOLVED that Susan Rutledge, Assistant Superintendent of Business Services for Clovis Unified School District, is hereby authorized and empowered to execute in the name of Clovis Unified School District all necessary documents to implement and carry out the purpose of this resolution.
